# CONNECTIONS - BASED LEARNING

CONNECT | COLLABORATE | CULTIVATE

An approach to teaching and learning that leverages our connected world to connect, collaborate, and cultivate meaningful relationships with others

Connect

Partner with others to develop an awareness of our world.
Change "How can we learn this?" to "Who will engage with us in learning?"

Partner Locally & Globally

Learn with Experts

Support Organizations

Serve the Community

Collaborate

Purposefully connect with learning partners
to design, create, learn and network in a meaningful way

Design

Empathize local & global needs
Co-construct learning goals
Draft a project proposal
Strategize a collaboration plan

Create

Develop competencies & skills
Think critically and reflect
Innovate with a purpose
Contribute where there is a need

Celebrate

Honour all collaborators
Document the process
Publish artifacts of learning
Work out loud

Network

Elicit feedback from diverse groups
Respond thoughtfully
Reciprocate to support others
**Curate** learning networks

Cultivate

Reflect on why we do what we do, understanding
that we are guided by bettering ourselves and the world around us

Better You

Empower Learners to make a positive difference in the world through authentic global connections.

Better Me

Build Citizenship and Character as we connect, collaborate, and learn with others to develop into caring and contributing global citizens

Better Us

Nurture Relationships while working together to foster meaningful and lasting learning partnerships
