

Global Education Student Twitter Chat (@GlobalEdSsChat)

@GlobalEdSsChat is a student-led Twitter Chat that connects K-12 students around the world to discuss topics related to character education, social justice, and citizenship. #GlobalEdSsChat creates opportunities for students to network with others, gain perspective, build relationships with new learning partners in a literacy-rich learning environment, experience social media as a powerful platform for learning, and establish a positive digital footprint.

Mission

Connecting and empowering K-12 students around the world to lead, learn, share and act together to create positive change.

How Does It Work?

#GlobalEdSsChat follows the same structure each month so you can join us anytime. For information about our chat structure, please refer to the [GlobalEdSsChat Details](#). For information about our upcoming chats, including the topics we will be discussing each month, please refer to the [Calendar](#) on our homepage.

GlobalEdSsChat Ambassador Program

GlobalEdSsChat Ambassadors are social media role models for K-12 students around the world. Ambassadors actively engage with other students on the #GlobalEdSsChat Twitter feed. Ambassadors model positive and creative ways to connect, like, share, reflect and ask questions in ways that build community. Ambassadors help grow GlobalEdSsChat by representing the kind of digital leadership we hope to inspire in others.
